Carol Greenfield's minutes of the meeting

**PRAIRIE TRAIL RIDERS CLUB
OCTOBER 15, 2009**

Tonight's business meeting was at Miller's lovely home. Pot luck supper!

Following dinner a list was circulated to get our members telephone numbers and addresses updated. Seems like many have new cell numbers and we want to make sure we can contact one another.

We must work hard to keep Dawn and Mike from Manhattan informed of our dinner meeting locations as they want to meet with us as often as possible.

Basil and Mary reported that their daughter is recovering well from her surgery and she is back to work. Hugh said that Carl Johnson will be released from the hospital next week and will return to Topeka at that time.

There was discussion about a poker run to benefit a young soldier from Topeka that was seriously injured in the Afghanistan war. The ride is Oct. 24th, registration is 10:00-11:00 at 20's West, 901 Fairlawn. The cost is \$15 per person. The ride concludes at the starting point and there will be an auction. If interested, show up.

Gene said he is canceling the Oct. 17th Abilene ride due to poor weather reports.

John Carkin gave a brief overview of plans to date for the upcoming trip to Canada, Minnesota, Lake Superior and points in that area of interest. Bob suggested that those who want to make the trip need to contribute to points of interest they would be interested in. Riders are welcome whether on motorcycle or car. More plans to follow. There are about 5-7 couples interested in going on this trip. Basil suggested that folks get out of country health insurance if you go into Canada. Passports will also be needed. In Canada you must have a DOT approved helmet. Carrying guns is discouraged.

Treasurer's Report from Nick. A balance in checking account of \$634.52 with \$227.25 designated for the Mission leaving a balance of \$407.27. He will prepare a check in the amount of \$250 payable to the Mission and it was voted on to give the money to them now as there is a shortage of food in their pantry. It was also suggested that all bring canned goods to the Thanksgiving Dinner that will be taken to the Mission.

Discussion about new officers took place: Bob and Sally were strongly encouraged to continue as Directors for another year and they accepted. Nick will continue as Treasurer and he will check to see who is also on the signature card at the Bank. Carol Greenfield will assume responsibilities as Secretary and Gene & Chris Kleinschmidt will take over the editor of the monthly newsletter.

A 50/50 drawing was held and Debbie Weiler was our winner of \$11.Meeting adjourned.
